

MISSION STATEMENT

PRESERVATION • CRAFTSMANSHIP • INNOVATION • PROTECTION

To provide every client, from historic houses, museums and galleries to private homes, with a complete service.

Expert light surveys, honest conservation advice, and flawless installation of British-made blinds and protective window films that safeguard their interiors without compromising authenticity.

CORE VALUES

01

PRESERVATION FIRST:

We were the first company to adopt the National Trust Code of Practice for Collections Conservation in Situ. This guideline was instigated to help National Trust properties adhere to similar conservation routines.

02

BRITISH CRAFTSMANSHIP:

Exclusive UK installers of Scottish Holland Heritage Blinds which are made in Scotland. No contractors are used to install CSC & Scottish Holland products.

03

INNOVATION IN CONSERVATION:

Developers of non-invasive solutions like Uvista Panels to protect delicate leaded windows.

04

GUARANTEED PROTECTION:

Long-term protection backed by up to 10 years manufacturer's warranty on internal film products. Free light survey after 10 years to confirm light protection which is expected by clients.
